## CHOOSING TOYS FOR MY BABY (6-12 months)

**Is your baby:**
- Sitting up, pulling up or crawling
- Picking up and examining objects
- Exploring objects to see if they make noise
- poking or placing objects

## ACTIVITIES WITH YOUR BABY
- Giving them things to bang or shake that make noise
- Look at books and read together
- Play peekaboo
- Sit them on the floor with their toys to explore
- Encourage them to push toys that support them so they don't fall

## TOY SUGGESTIONS
- Cause and effect toys
- Sorting shapes boxes
- Stacking blocks
- Sit or stand activity tables
- Push trolleys or cubes
- Toys that play music
- Musical instruments
- Posting toys
- Toy vehicles
